The building has multiple windows and a classical architectural style. The photograph is positioned on the left side of the page, partially overlapping the text area.

This is a Memory Book . . .

. . . about the things that have happened
and about the people we have known.

It is a record of an eventful year. We recall our success in basketball and the trip to Champaign, the field house assemblies, the naming of the Crest and the staging of "A Midsummer Night's Dream."

We remember the people who opposed us in debates, those who kept asking us "Is the Curtain Really Iron?," and the long-suffering operetta cast waiting hopefully for a place to present their production.

The homework we "slaved over," the teachers who helped us, and the classmates we worked with will be vivid in our minds in the years to come.

In retrospect, 1950-1951 will probably be known as the year of the auditorium. We remember serving as "junior superintendents" and watching our auditorium change from cold, stark girders into a colorful, well-equipped theater.

On the following pages we picture our memories—beginning with September and the shell of the auditorium and ending with spring and the modern, streamlined assembly hall.

To

Mr. John Wood

For twenty-four years Mr. John Wood has served us well.

As a member of the Physical Education Department, he has made soccer a popular sport in the villages and has consistently built teams of the highest caliber. Eleven of his teams have won state championships.

Through his work in the National Soccer Coaches' Association, he has brought prestige to our school and our community as well as honor to himself.

But, in the field of student adjustment to environment, he has made his greatest contribution to the individual, the school, and the community. He has devoted much of his life to instilling into many students the fine qualities of fair play, helpfulness, and integrity that he himself possesses.

The 1951 Tabula staff proudly dedicates this memory book to a great sportsman, counselor, and friend—Mr. Wood.

Our Councils Are Responsible

Do you remember the Junior Prom, Class Day, the one-way street signs, the hall guards? These are just a few of the projects on which our different councils worked throughout the year.

The Student Council, with the advice of Dr. Youngert, plans such projects as the Homecoming Dance. It maintains the Information Desk. It is composed of elected representatives from all the classes.

Safety Council, with the help of Mr. Storey, has become very important in providing and maintaining safety in and around our school. The council is made up of com-

mittees on halls, driving, bicycles, signs, traffic, and publicity.

Smoking Council, made up of junior and senior boys, enforces rules concerning smoking. Both Safety and Smoking Councils maintain courts in which offenders are tried and violators are penalized.

Besides these councils, there are the three class councils. Senior Council works on such projects as Class Day. The biggest job of the Junior Council is the Junior Prom. Freshman Council concerns itself with encouraging freshmen to be good school citizens. These councils, with the deans as advisers, play an important role in our school.

Library Staff

Do you remember the long hours spent in the library in search of material for that junior theme, and the scramble for history books in Room 225?

The librarians are always ready to help students find the material they need, and they instruct the Freshman English classes in the proper way to use a library.

A staff of student assistants help at the desk, deliver library slips and permits to home rooms and study halls, and do general routine work. Some students receive school credit for extra work in the library. The members of the staff gain experience and perform a valuable service to our school.

Projection Staff

Since Rooms 42 and 235 have been used as the projection rooms, they have become familiar to just about everyone in this high school. The importance of visual education in our curriculum can be noted on the basis of the number and variety of the films shown each year.

A large staff of boys, chosen during their freshman or sophomore year, handles a part of the work. They receive training in the operation and repair of the projection machines. After they have served for two years, they receive school credit if they have held a key position for a semester.

The work of the staff is done under the direction of Mr. Park.

Girls' Conference

The Girls' Conference theme, "Set of the Sails," proved to be an interesting and clever label for this year's sessions of Conference. Dr. Yahya Armajani gave the address, "Ports of Call," on Friday night. The

subject chosen for the Saturday morning parleys was "Prevailing Winds." Dr. Marcus Bach closed this year's conference on Sunday afternoon with an inspiring talk on "Something to Live By."

The planners of the Boys' Conference changed the traditional Saturday discussion period to a bus trip to Skid Row. On this trip boys were given a chance to see actual conditions described on Friday night by

State's Attorney John J. Boyle. The Father and Son service on Sunday was highlighted by an address by Chaplain J. L. Cederleaf of the Illinois State Training School for Boys at St. Charles.

Conference on International Affairs

A new feature of this year's Conference on International Affairs was a panel of six seniors, who, at the end of each speech, added their questions to those submitted by the audience. The theme was "Is the Curtain Really Iron?" Mr. Miroslav Kerner, for-

merly of the Czechoslovakian Government, spoke on "Techniques and Weaknesses of Communist Domination," and Mr. R. C. Macridis, Assistant Professor of Political Theory at Northwestern University, talked on "Methods of Resistance to Communism."

Homeroom announcements are the topic for discussion.

Senior Class Presents . . .

First Try-outs

Because the new auditorium was still being constructed during the fall, plans for a Girls' Club Play had to be abandoned this year. However, the Senior Class Play was produced on an improved, modern stage. Mr. Cooke chose "A Midsummer Night's Dream" for the auditorium opener, partly because the many new staging conveniences could be used to an advantage in this Shakespearean drama.

Pictured on these pages are the scenes which those who merely went to the play never saw: the many tryouts, the nerve-racking final callbacks, the selection of the cast, and the weeks of rehearsals. The committees, cast, advisers, and the director, all cooperated to stage successfully "A Midsummer Night's Dream."

Directors

Mr. Little, Mr. Riebman,
Miss Wood, and Mr. Baker.

The Concert Orchestra, directed by Mr. Little, plays an integral part in our school activities. It performed for Vespers, the choral concerts, the instrumental concerts, the Senior Class Play, the Operetta, the Dance Exhibit, Baccalaureate, and Graduation.

This year's orchestra was unusually busy, since many of the public performances were given during the last two months of school.

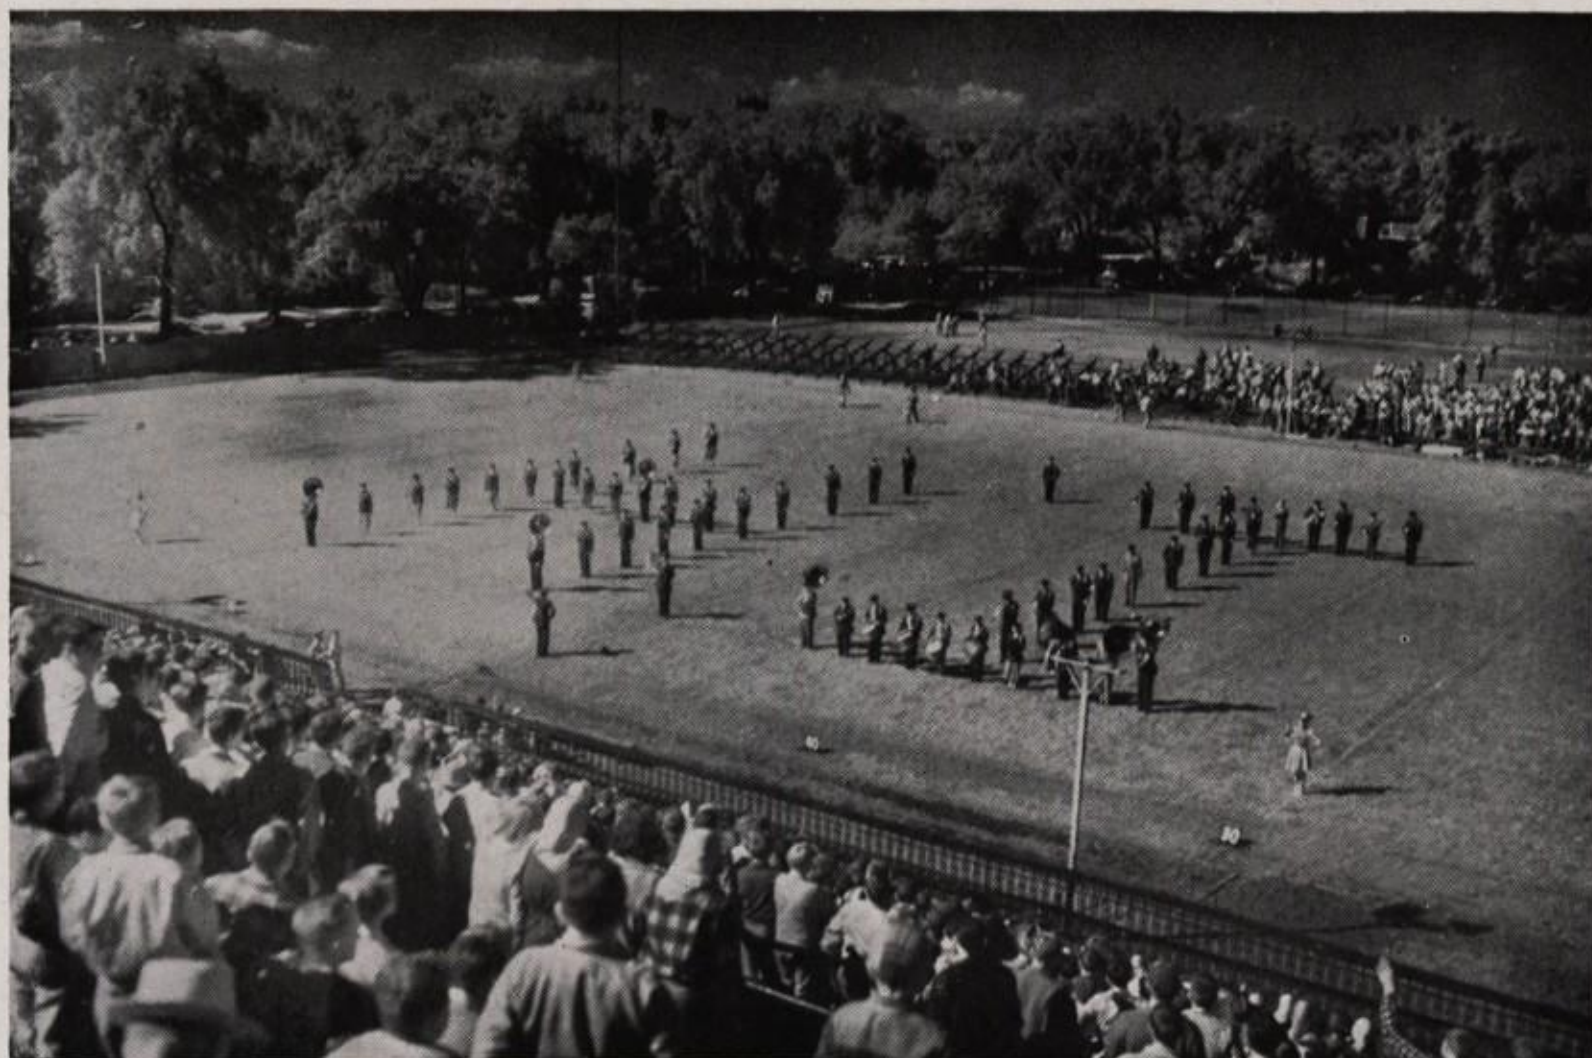

The Concert Band and the Marching Band were composed of the same personnel this year. In their capacity of Marching Band, the musicians played at home football games and at pep assemblies.

Between halves, the band heightened the enthusiasm of the spectators by marching through formations as they played school songs and as the drum majors twirled their batons.

"Ruddigore"

The Gilbert and Sullivan operetta this year was the rollicking satire on the theater, "Ruddigore." The story concerns characters who are either all good, or all bad, in true vaudeville style. The hero, Sir Despard, is plagued by the tradition of his ancestors, who insist that he must commit one crime a day in order to "carry on their bad name."

The operetta had its share of auditorium troubles. The dates for its production were postponed several times. All of the committees, except for the stage and light crew and art committee, were made up of members of the A Cappella Choir.

The faculty advisers for "Ruddigore" were Director, Miss Wood; Conductor, Mr. Little; Dramatic Directors, Mr. Cooke and Mr. Baumgartner; Publicity, Mr. Dehl, Miss Linden, and Miss Shuart; Stage Work, Mr. Cooke and Mr. Kendall; Art, Mr. Pelz; Tickets, Miss Vravick; Make-up, Mr. Riebmman and Mr. Cooke; and Ushers, Mrs. Rarity and Miss Oxborrow.

the Year

Each day of the year, the Tabula staff met with Miss Shuart and Miss Smith to create the 1951 annual. Their work included planning pages, scheduling pictures, deciding on cover and contents, mounting pic-

tures, writing copy, typing lists, and reading proof.

Mr. May directed the work on senior pictures, acting as intermediary between the studio and the staff. Miss Blundell was art adviser.

Trapeze

The hundreds of students who receive their "Traps" each Friday morning little realize the activities that go into its production. Many students work regularly during third period and after school writing copy and headlines, editing, measuring pictures for the engraver, and proof-reading. Miss Shuart is the editorial adviser.

Literary

Tabula . . .

As a result of a spirited campaign this fall, the Literary Tabula staff chose the Crest as the new name for their semi-annual publication. Our school was honored when the December issue of the Crest received a first prize from the

Columbia Scholastic Press Association. The Freshman and Sophomore staffs, directed by Miss Wurtzbach and Miss Hardie, cooperated with the Junior-Senior staff, supervised by Miss Burt and Mr. Hohn, to make this possible.

Photography Staff . . .

The photography staff has a very important job in our school. Without this staff, there could be no pictures in *Tabula* or *Trapeze*. The school photographers take all the pictures that go into publications, except the formal senior and faculty pictures in *Tabula*. This work takes a lot of staff time both during and after school. The staff also does developing and printing during the sixth and seventh periods under the direction of Mr. Lane.

The boys gain much experience while performing an important duty for our publication staffs.

Thirty Clubs...

Clubs are an important part of our high school life. We will remember the many friends we met at the interesting meetings, the fun we had, and the information we acquired.

The club program includes interest clubs, dramatic clubs, debating clubs, and departmental clubs.

The interest clubs cover a wide variety of activities. Sportsmen's Club offers group recreation in the outdoors. The camera clubs offer opportunities for training in photography. Radio and Future Teachers claim people with those special interests. Footlights, Masqueraders, and Drama are the dramatic clubs. Members have fun casting and presenting plays, complete with costumes and make-up. In the debating

clubs—Burke, Gavel, Townmeeting, Forum, and Lincoln—practice is given in parliamentary law, orations, debates, and extemporaneous speeches.

The majority of clubs are departmental, related to school subjects. Newton — mathematics —, Art, Home Economics, History, Pan American, and Music are in this group. Biology, Freshman Science, and Chemistry are the science clubs. In the language department, Forum Romanum and S. P. Q. R. are the Latin clubs, Freundschaftsbund is the German club, Saludos Amigos is the Spanish, and Le Cercle Francais is the French.

Club activities form a large part of our extra-curricular program.

Girls' Club

The membership of Girls' Club consists of all girls in school. The club provides an excellent means for girls to work together and form friendships.

This year the Big Sister and New Girls' parties were as successful as always. Because of the remodeling of the auditorium, the annual Girls' Club Play was not given, and the Christmas Sing was held in the field house and attended only by the junior and senior girls. The money collected on Tag Day was used for filling Christmas stockings for the children of Chicago Commons. Twenty-eight delegates from the club attended Suburban Girls' Conference sponsored by all the girls' clubs in the suburban area.

The Spring Assembly, with the announcement of new officers, closed another active year for Girls' Club.

The Varsity football team won four and lost two, placing third in the Suburban League.

The Huskies won two out-of-state contests. The game with Dupont Manual of Kentucky, played this year at Oak Park, may become an annual event. Oak Park also played at Muncie, Indiana.

Paul Jaenicke and Tom Ebert were named to the All-Suburban team. Jaenicke was a standout in the line at both guard and tackle. Ebert, though injured for the last part of the season, did an excellent job while he was available.

At the end of the season John Clark and Dick Traut were chosen by the squad to be honorary co-captains.

The Junior Varsity, although they tied two games, won the Suburban League championship.

The 1950 Oak Park-River Forest High School soccer team shared the state championship with Schurz High School of Chicago.

This year's team was one of the finest teams in the history of soccer at Oak Park. The Huskies' defense, with Chuck Mead in goal, and their forward line were among the best in the state. In winning ten games, losing one, and tying one, Oak Park scored thirty-seven goals to their opponents' eleven.

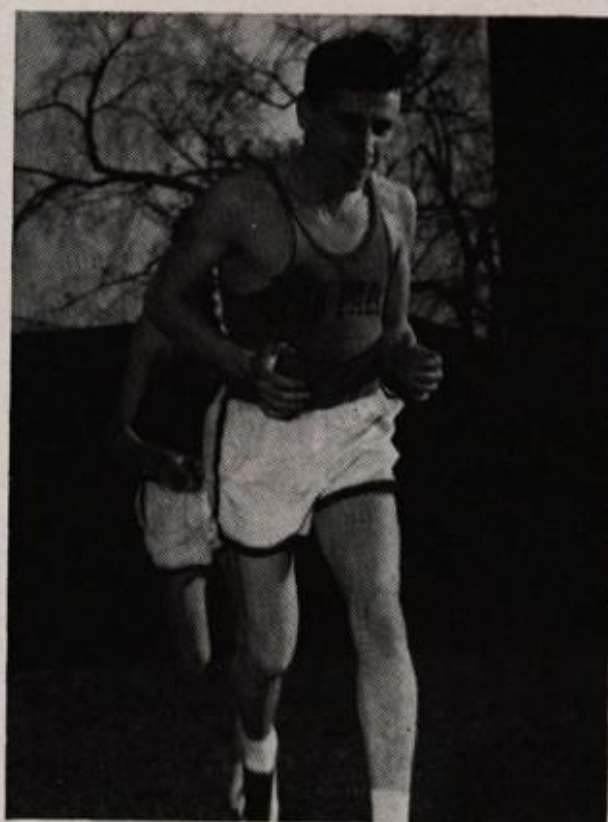

Spearheading this year's team was its co-captain, Jim White. White was the leading scorer in the state with thirteen goals. Following White were George Woods and Bill Fraser with seven and five goals respectively. All-State, along with White, were Tom Bone, the other captain, and Jim McElroy.

Cross Country

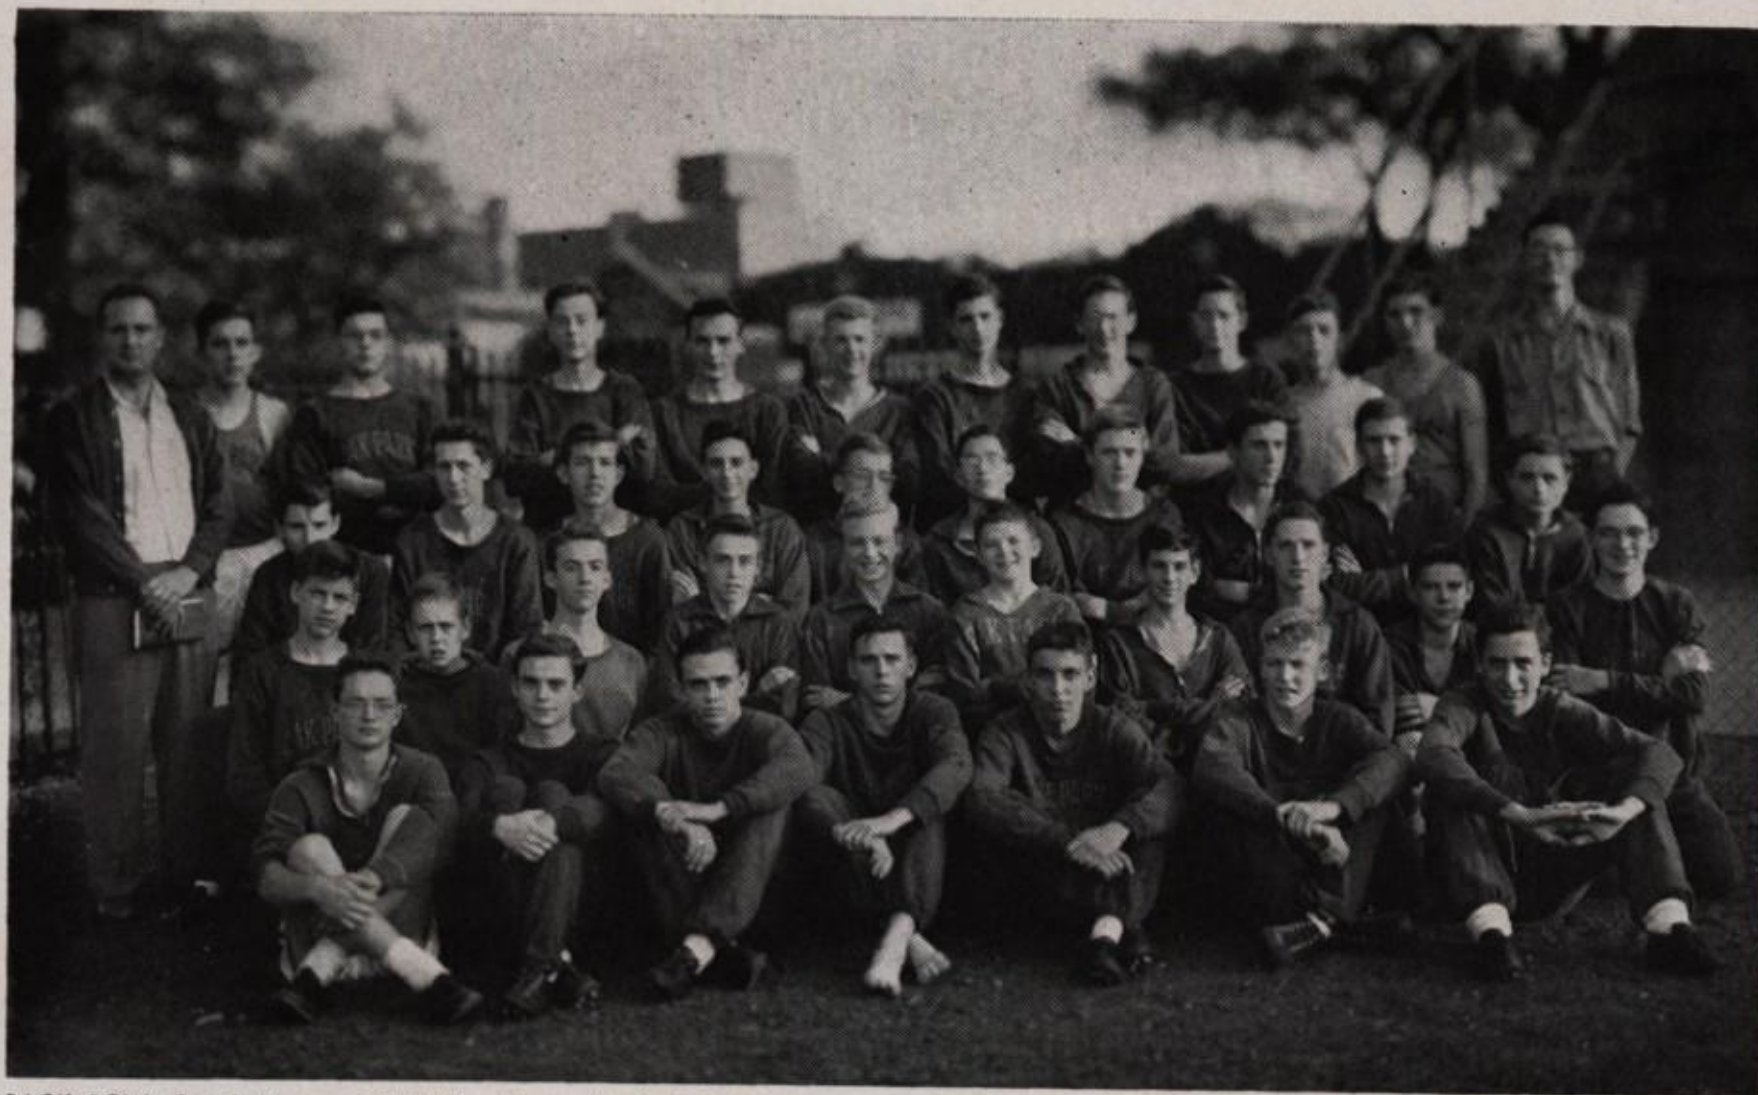

The 1950 Oak Park cross-country team had a fairly successful season. Although they won only one dual meet out of four, they captured the crown in the Suburban League Meet and took second place in the District Meet.

In the Suburban League Meet, held at Thatcher Woods this year, the thin-clads swept to a first place because of team strength. Bob Stuker finished second to Jim Henry of Evanston. Louis Richard was fifth, and Bob DeMeritt was eighth.

In the District Meet, held prior to the State Meet, Bob Stuker, who was second, and Louis Richard, who was fifth, qualified for the State Meet. Because five men must qualify, Oak Park did not earn a shot at the state title.

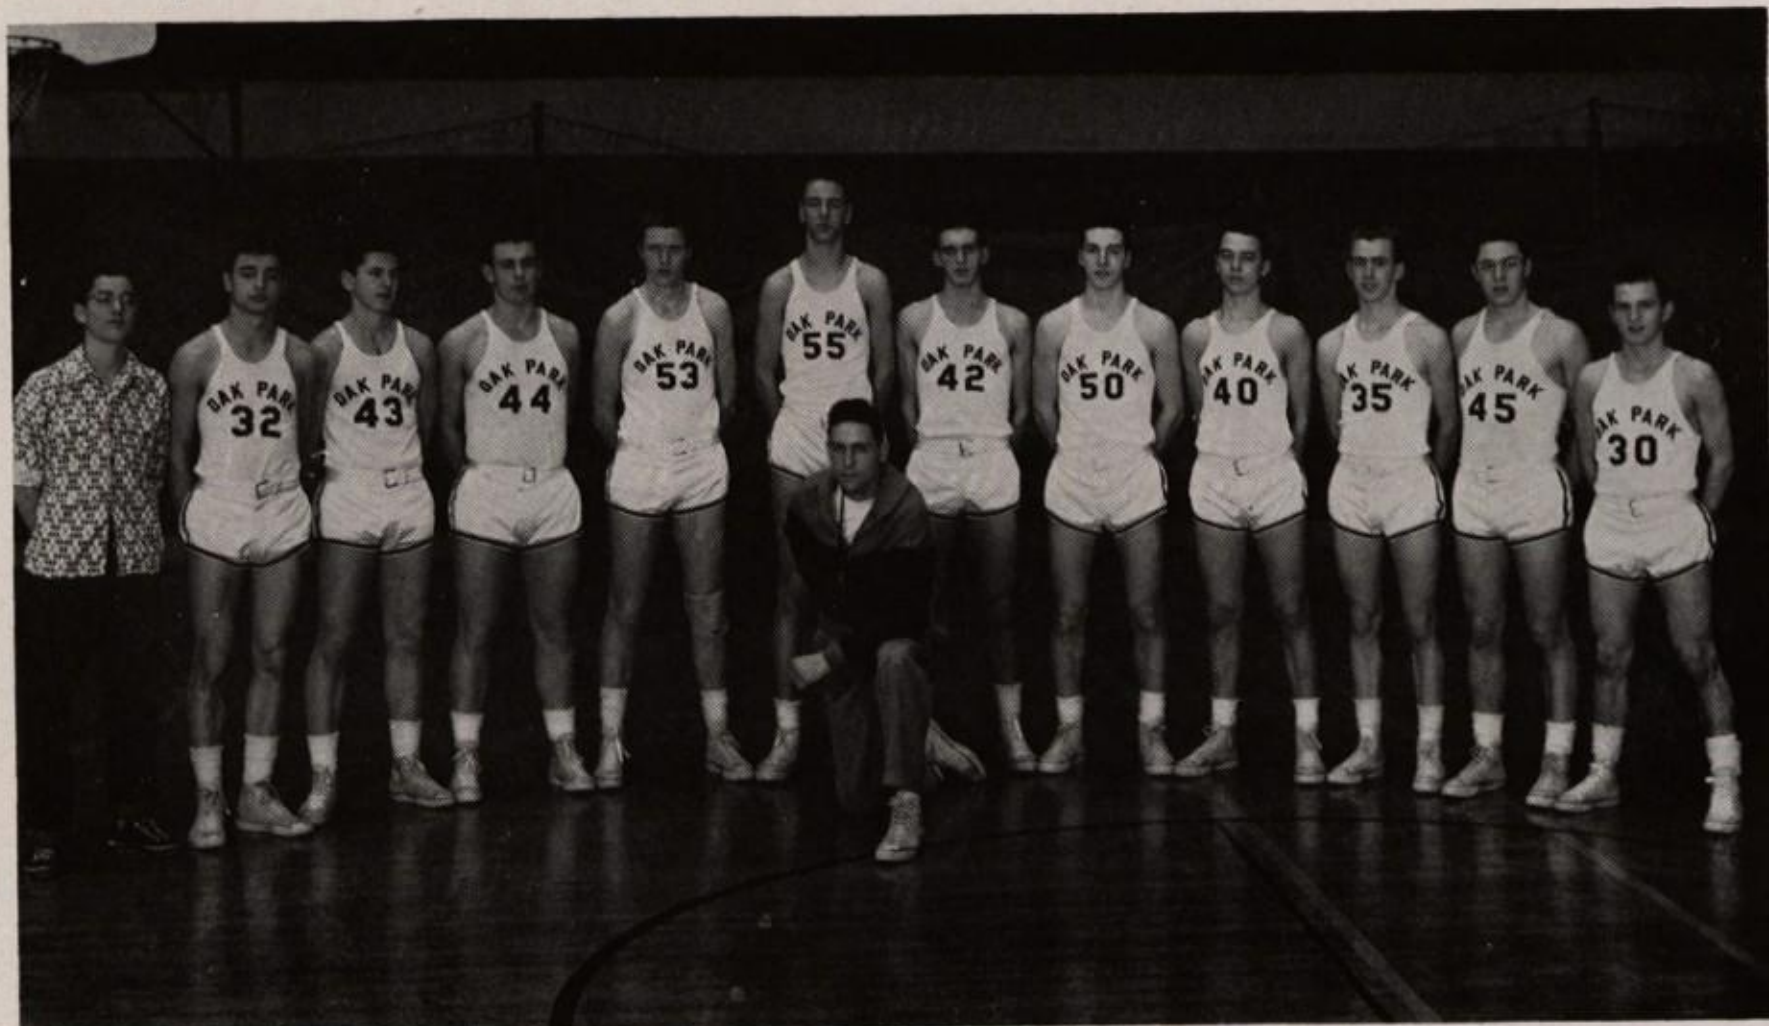

A mile to go.

The Varsity basketball team, after a mediocre start, came to life at the end of the season. In the Suburban League standings Oak Park finished in a tie for fifth. But in one of the last games of the season, the defeat of Waukegan was a forecast of what was to come.

In the Regionals, after defeating Glenbard and York, the Huskies defeated Leyden, 44 to 40, to earn the right to go to the Sectionals at Waukegan. In the Sectionals they defeated Elgin, 52 to 50, and Barrington, 71 to 56, to earn a chance to participate in the State Meet. They were the first Oak Park team ever to make the "Sweet Sixteen." In the first game at Champaign, they were defeated by Lincoln, 54 to 41.

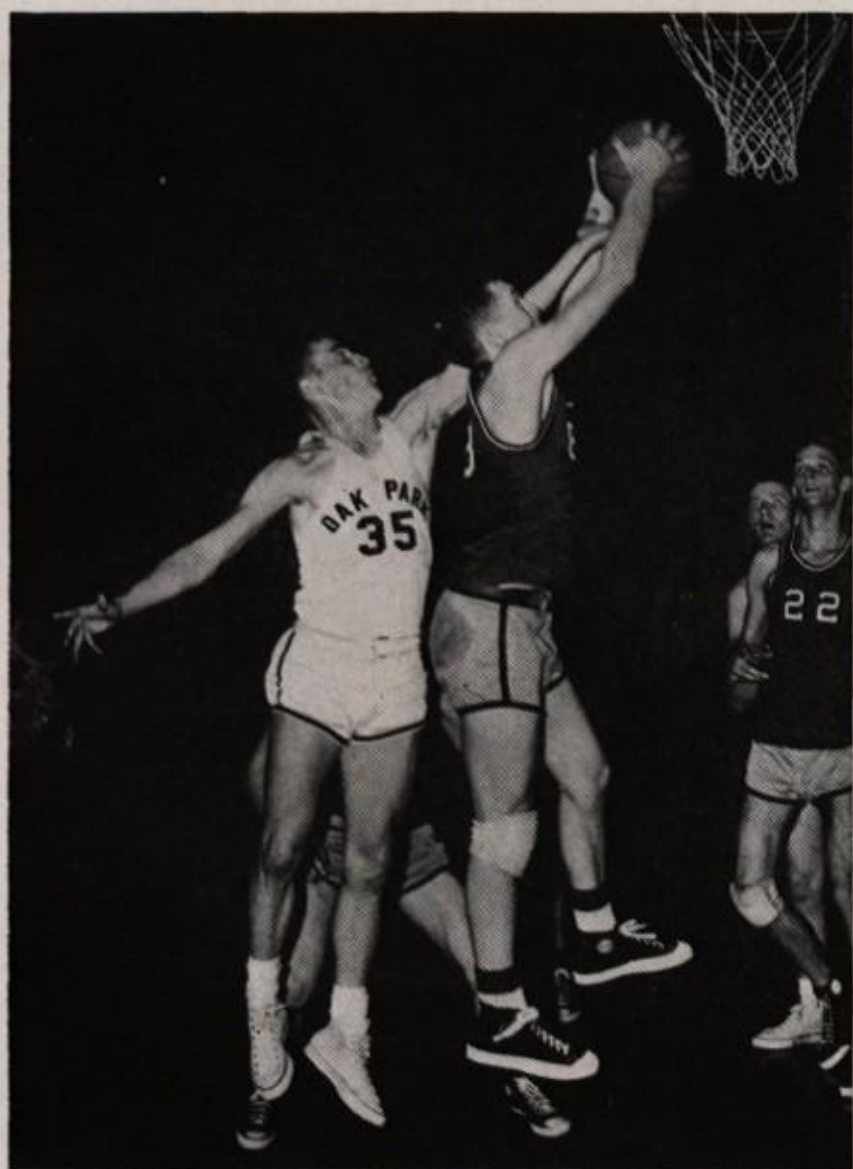

Special mention should be given to the Fresh-Soph basketball team, which went through the entire season undefeated. Ron Fraser, the center, broke the Suburban League record by scoring 266 points in 17 games.

Ditella and the trophy.

As this book goes to press, the Varsity track team is off to a good start. It has won all its meets and has taken the Suburban League Meet handily.

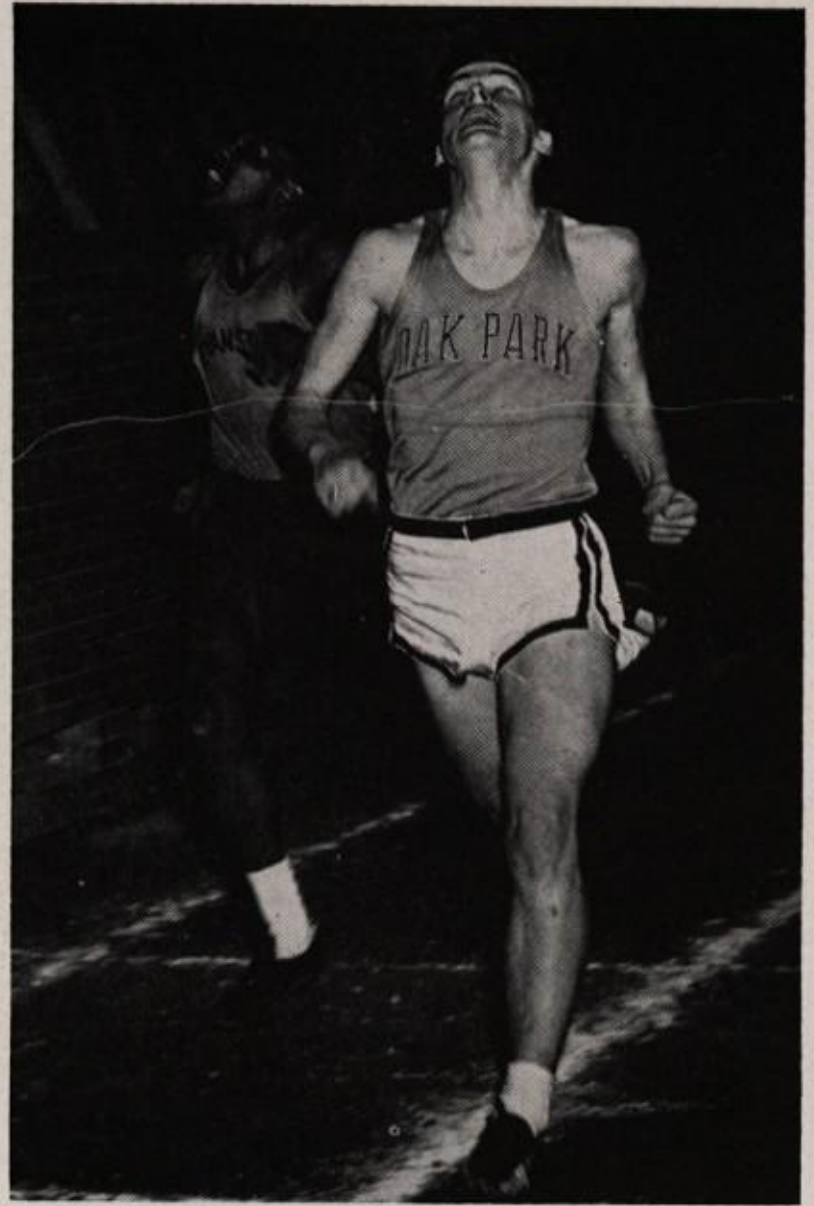

The team has quite a few Suburban League Meet champions: Sittnick and Clark in the high and low hurdles respectively, Creek in the 880, and McKnight in the 440, Hale in the pole vault, and Boyd and Brown in the high jump.

But these boys alone would not have won the Meet. They received fine support from Champagne in the 50-yard dash, Christensen in the pole vault, Borwell and Hiestand in the shot put, and Ditella in the broad jump.

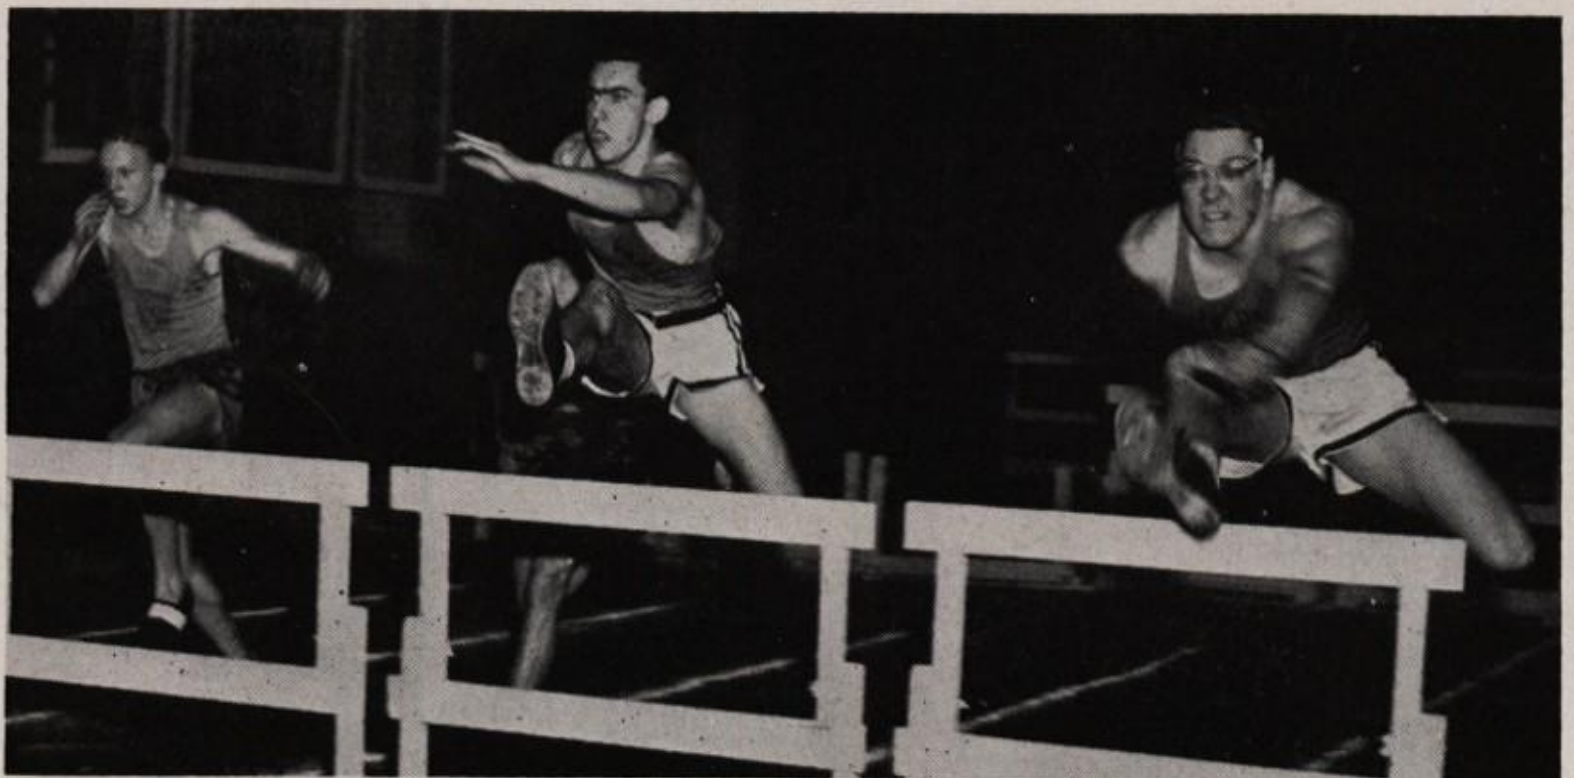

The Fresh-Soph team also won its Suburban League Meet. Art Clark won in the hurdles; Kredich, the high jump; and Bell, the pole vault.

Spring Sports

Spring sports are baseball, outdoor track, tennis, and golf. The baseball team has quite a few returning veterans and can look forward to a good season. The highest point of the season for the rest of the

spring sports is the State Meet at Champaign. This year the track and tennis teams have a good chance to win the title in their respective sports. Golf, with its nucleus of last year's players, should equal the success of the last season.

In the fall boys may enter tennis, basketball, swimming, or track. Those who excel in intramural

swimming and track are accepted on the regular team. During the winter, the boys may engage in water polo. In the spring ping pong, softball, and golf are played. Intramural golf winners usually qualify for the golf team.

Managers

Checking in equipment.

The equipment managers are the unsung heroes of athletics at Oak Park and River Forest High School. These boys never get their names on programs or in the sports articles in the Trapeze, but they keep the teams running.

At sporting contests they handle the distribution of uniforms and towels. When the sports shift from the stadium to the field-house, the managers have the job of sorting and putting away the equipment no longer in use.

Although not much is heard about our managers, they are appreciated by all who take part in athletics.

Archery

Archery is offered after school in both the spring and fall. The girls learn the proper use of equipment as well as good marksmanship.

Swimming

Swimming is offered during all of the gym quarters. Everyone has the chance to join classes in life saving, synchronized swimming, and beginning swimming.

Synchronized.

Overhead service.

Tennis

Tennis is offered in the gym classes in the spring and fall quarters. Proper training in the techniques of the game is given in beginning and advanced classes.

Hockey

Hockey has become a popular fall sport. The interclass tournament, held at the end of the season, ended in a tie between the tenth period group and the Leaders' Class.

Watch those sticks.

Swing that gal!

Square Dance

A new feature was added to this year's gym program. Square dancing was offered to both boys and girls during the third gym quarter. The classes learned many dances which they presented at the Gym Demonstration. Some of the students even learned the art of calling.

Rhythmical Exercises

The classes in rhythmical exercises worked on many of the same exercises that are used in the posture groups. These were presented in the Gym Demonstration.

Marching was also included in this year's Demonstration.

Stretching to music.

Basketball

Basketball is offered after school during the second gym quarter. The teams for the tournament, held at the end of the season, are chosen by the girls who meet on different nights according to their year in school.

In this year's Round Robin Tournament the seniors came out from behind to win over the juniors in the final game.

Volleyball

Volleyball is played both after school and in the gym classes. The girls after school meet according to their year in school.

An interclass tournament is held at the end of the season.

Get it in!

Hit it back.

She's safe!

Catch it.

First Aid

First Aid classes were added to the curriculum for the first time this year. The standard Red Cross course was given in the gym classes. Proper bandaging, the use of compresses, splints, and other equipment were taught. The students not only learned what to do in many situations such as accidents, but also learned what not to do.

A special feature of this year's Gym Demonstration was an exhibition of First Aid. Such things as the blanket carry, the use of the stretcher, and the correct use of splints were demonstrated. First Aid has been incorporated primarily as a defense measure.

Baseball

Students enrolling in team sports during the fourth quarter receive instruction in baseball and speedball. Baseball is also offered after school. During this time the players learn the different techniques.

After practicing together they choose teams to represent them in the interclass tournament.

Speedball

Speedball, played in the first part of the spring quarter, is a combination of basketball, football, and soccer. It is played on the same size field as hockey and employs many of the same rules.

Instruction is given on the techniques of dribbling, passing, and kicking. This fast game develops coordination.

Atalanta is a club for girls interested in athletics. Eligibility is dependent on the number of points each girl earns. These points, received for participating in after-school sports and by passing certain tests, may be used for the 600, 1200, 1600 and 2000 point awards. Members earning these awards must pass a posture test and live up to certain rules of good health and good sportsmanship.

The Atalanta Board plans the meetings, of which the Mothers' Tea and the banquet at the end of the year are the highlights. The club also sponsors the Football Dance.

This year jackets were made available for Atalanta members. They are white with the name, Atalanta, written in blue felt across the back.

Leaders' Group

The Leaders' Class is a special gym class for girls interested in sports. The class meets during third period, and the girls are taught the various techniques of the different sports so that they will be able to help instruct and officiate in the gym classes and after school. This class includes selected junior and senior girls and a few sophomores who are admitted at the beginning of the second semester. After assisting for a certain number of hours, the girls receive an emblem in the shape of an acorn to wear on their white uniforms.

This fall the class specialized in hockey. They closed the season by tying with tenth period in the Interclass Tournament. In the remaining three gym quarters they received instruction in basketball, Red Cross swimming, and speedball and baseball.

This year the Dance Demonstration was staged by the after-school groups in modern dance. These are beginning, intermediate, and advanced groups. The girls presented the "Introduction to Modern Dance," "Pavane," Primitive Indian Dance (advanced), "Take-off on Jazz," "Tin Soldier," "Shortnin' Bread" (intermediate), "Row,

Row, Row Your Boat," and "Scandalize My Name" (beginners). A special dance group presented the "Peer Gynt Suite."

The Dance Demonstration is relatively new, but in the last few years it has become a regular feature presented by the Girls' Physical Education Department.

Board of Education

In our high school Memory Book, we are proud to include the Board of Education, which so well represents the interest that our community takes in the best in education.

In the past the Board has concerned itself especially with ways and means of maintaining and improving our high scholastic standards and with backing a strong extra-curricular program. In more recent years the members have also directed their efforts toward the improvement of our school plant. Now with the completion of the new auditorium, they have finished an important part of their plan to make ours one of the most modern and best-equipped schools in the country.

For all of their services to the school, and therefore to us, we express our thanks to the Board of Education.

Administration

Our superintendent, Dr. Eugene Youngert, effectively carries out his ambitious plans for our school and for us. Since his introduction to Oak Park in 1941, Dr. Youngert has served us not only as a fine educator, but as an excellent counselor and guide.

The deans work with Dr. Youngert in helping to guide us through our four years in high school. Miss Eva Pring and Mr. George Seymour help the freshmen to make a successful start in their high school careers. Miss Velma Ball and Mr. Russell Fuog help their sophomores to prepare for upperclass responsibilities and privileges. Dr. Charlotte Grant and Mr. Ray C. Soliday direct the junior activities. Miss Ruth Horner and Mr. L. H. Fritzemeier assist the seniors with their college and vocational plans.

Judy Frees works on a myth scrapbook.

Freshmen Learn . . .

Freshmen always remember the trouble they had their first few days in high school. Soon, however, they learned that the different rooms were not too hard to find, and that following their schedule could become almost mechanical. Miss Pring and Mr. Seymour, the freshman deans, helped them solve their many problems. The Big Brothers and Sisters told them about school activities such as clubs, sports, and assemblies. They also learned about the grading system here.

"The Yearling" started their work in English class, and myths and the "Old Testament Stories" soon followed. Many freshmen passed a grammar test and were permitted to go

John Hlavoc and Don Mulder do clean-up duty.

... *Their Way Around*

right into sophomore English in their second semester. Algebra and Freshman Science seemed big problems at first, but they really were not so hard in the end. Many freshmen did so well in all these courses that they were on the Honor Roll with a ninety or above average.

The freshman girls went to the Big-Little Sister Party, where they met many people and found out a little about Girls' Club. The freshman boys made new friends and gained school spirit when they went out for sports. Freshmen soon knew each other well enough to elect their council. They helped out on Tag Day and did many other things that showed they had become a part of our school.

Melvin Johnson and Bill Knoph are at their lockers between periods.

Dan Smith and Fred Muntwyler inspect the auditorium.

An art exhibit in the showcases is viewed by Loretta Purcell and Arlene Burghardt.

Sophomores . . .

Sophomores will always remember how busy their second year was. Their subjects became harder, and geometry, "David Copperfield," and "Stories in Verse" occupied much of their time. Those sophomores on the Honor Roll had the privilege of helping out at the Junior Prom. Girls' choir admitted several sophomore girls, and some boys got into A Cappella choir. Various choruses also took sophomore members. Many sophomores joined Masqueraders and the other clubs open to them. Sophomores also worked hard on committees for the conferences which were highlights of the year. Of course, sophomores will have to remember, too, that having a good time helped keep them busy.

Lunch hour gives Judy Orndorff a chance to use the telephone.

Students get bus cards at the switchboard.

Sophomore girls await their turn in the deans' office.

... Have a Lot of Fun

After lunch on Fridays many students read the Trapeze.

Juniors . . .

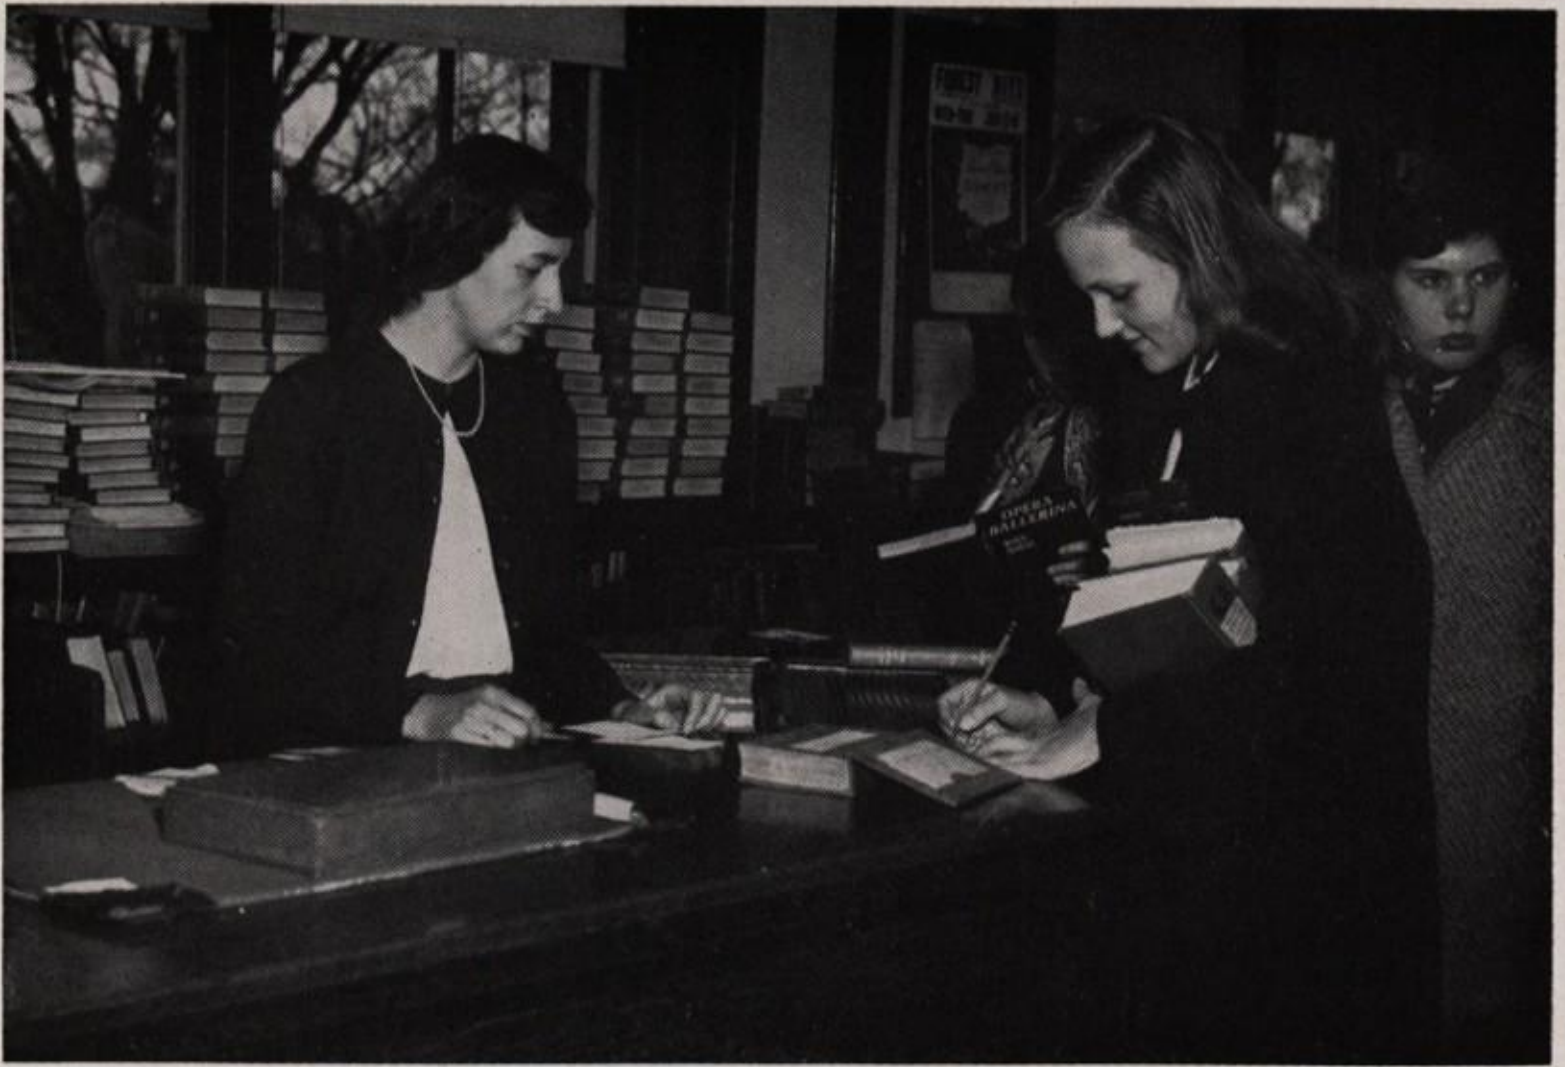

Chuck Schaefer, Jack Snow, Gloria Wilde, and Park Teter are the vice-president, treasurer, secretary, and president of the junior class.

Juniors remember the eventful year they had as they prepared to lead the school in their senior year. They elected class officers

and a council and worked hard on the prom. They also took aptitude tests and started planning their futures.

Juniors like to have their pictures taken.

Sarah Beggs plans to do some outside reading.

"Thought is the seed of action"

—Ralph Waldo Emerson

LONG years in school give us the training and knowledge to act wisely, but also show the need for consulting others who are experts in their line.

Since most important steps involve money and loans, it is wise to maintain contact with a good bank, right from the start—one able to advise you well. Here at Oak Park Trust you find an old bank, staffed with friendly officers, each having long experience in meeting the problems you face from time to time.

Small checking and savings accounts are welcome here. There is no minimum balance requirement. We make it easy for you to start small with us.
